### **VATICAN TWO**

Vatican two finished in 1963 before many of you were born. It revamped the whole church and gave a guide for the future.

Two big things that happened which people are aware of were:-

1. The change from mass in Latin to mass in the vernacular/local language.
2. The altar turned around to face the people, both of these happened but little else. I think there were 16 major documents in all, most people, sadly have never heard of them.

One big shift was the change from seeing the church as a hierarchical model, pope on top followed by bishops, priests and people, to the church as THE PEOPLE OF GOD, the people (pope, priests, people) united around the Eucharist with Christ as the head and centre and the pope as a uniting force. Church councils were set up, but overall had no real clout. Forgive me if I seem to overstate my case but necessary for clarity.

Now the pope is trying again to introduce it as a Synodal Church, a Church which listens, which realizes that listening "is more than simply hearing". It is a mutual listening in which everyone has something to learn. The faithful people, the college of bishops, the Bishop of Rome: all listening to each other, and all listening to the Holy Spirit, the "Spirit of truth" (Jn 14:17), in order to know what he "says to the Churches" (Rev 2:7).

Basically, as when I asked the communion children to spell church for me with **two letters**.....Emmanuel shot his hand up and said..? Can you do it? £10 to the first person who texts me the correct answer!

### **BAPTISMS**

Baptisms are happening at the moment.

Book yours.

### **MONEY MATTERS**

Many, many people have signed a standing order for the parish. Sincere thanks. It saves a lot of work. Do you want to do yours? All forms are available on the web site. Or I am available.

For those who still want to use envelopes they are available at the back of church today. Please collect yours. If you have old envelopes you can still use them. The number on the envelope is yours forever. Even if you have done a standing order that number is still yours.

**I HOPE THIS WILL BE OUR LAST YEAR DOING ENVELOPES.**

***Life is really simple but we insist on making it complicated.***

### **CONFESSION**

I will be in the office every Saturday afternoon from 2 to 4pm for confession, chat, form signing etc. No appointment necessary.
