## Fr Jack

We are servants, servants of God and each other. **The greater my awareness of this role for myself, the happier I will be.** When I know my position, just get on with living. Get on with it through prayer and work. This is where contemplation can be a great help, sitting reflecting within the depth of my own heart I grow in awareness. Children don't know their position and often they cry and kick up tantrums. That is not worthy of the Christian. I know who I am and I get on with it. I can truly say the world is a better place because of me. (and Christ?)

**The human eye can distinguish about 10 million different colours. (can my computer do as much?).**

## October the Month of Mary.

Why not say the rosary every day for the month of October. With your family, 15 minutes. On my own, I like to pray with Youtube and others.

Visit someone lonely or in need.

Make sure you have a statue of Mary in your house, Olu has plenty in the shop.

Say grace at meal times.

Make sure you pray everyday alone or with you family.

## Secondary School Forms.

*Any Saturday afternoon between 2 and 4 i I will be in the office for signing forms, confession or any other issues. You're welcome without an appointment.*
