Stop New Abortion Threat

Baroness Sugg has tabled an amendment to the Health and Care Bill that would make 'DIY' at-home abortion permanent. It is vital that as many Peers as possible oppose this amendment. Right To Life UK has launched an easy-to-use tool on its website that makes it easy for you to send an email to a randomly-assigned Peer asking them to oppose the amendment. Please visit www.righttolife.org.uk/DIYabortionthreat to contact your MP now. **It only takes two minutes.**

PRAYER

The beauty of prayer is to be silent in the company of another person.
Not having to talk but just to BE. Be yourself.
Be still and know that I am God
Be still and know that I am
Be still and know
Be still
Be
Confident that He is listening.

FASTING

Taking good care of your body. Eating good food and enjoying it.
Maybe the food on your table comes from six different countries.
Think of all the people who have provided this food for you. Cultivated, transported stored it. Say a prayer for them. It can be "Eucharistic."
Look good, avoid obesity and feel good. Our god is wonderful.

ALMSGIVING

Don't stuff yourself and put a few bob in the jar for Pecan.
With a little thought, a little can go a long way for all of us.
Read Pope Francis' prayer (below).

Rivers do not drink their own water
and trees do not eat their own fruit.

The sun does not shine on itself
and flowers do not spread their fragrance for themselves.

Living for others is a rule of nature.

We are born to help each other, no matter how difficult it is.

Life is good when you are happy, but much better when others are happy because of you.

Pope Francis

Missio

Would all Red Box holders please collect brown envelope & Spring edition of Mission today in the hall, empty your Red Box into the brown envelope and return to church. Many thanks.

I don't want to be entertained when I go to mass. I want an encounter with God.
