## New Year, New Resolutions.

1. Today's first reading is a basic start. Am I a person of integrity? When I look in the mirror what do I see?  
I have to be honest that I am not a sham.
2. If I am to be serious about having a Christian spiritual journey, it is absolutely essential that I do something about helping the poor. The poor at home and abroad, spiritually and materially.
3. I must have community somewhere in my life. There is no communion without community. And this is Eucharist.
4. It is important that a person who is genuinely trying to be holy should have peacefulness and calm about them. They should be easy to live with.
