### Fr Jack

"Well Jesus got angry" How many times have people used that argument to justify their anger? Jesus got angry for the sake of His Father's house, not for his own personal gain. Righteous anger for the sake of something else or someone else, not for my own personal gain.

Jesus threw the sellers out of the temple because he was coming to introduce a whole new way of doing things. The old law of sacrificing animals etc was good in its day but now it is no longer good. **It is finished.** I am the new way forward and **love is the name of the game.**

So rise up St James and be people of love.

### Marriage

Many people are married for the first time either in the registry Office or traditionally. But just to clarify they need to get a church blessing and that is a very simple thing to do. Just talk to your priest.

Also to say to get married in church is very simple and cheap. Again just talk to your priest.

£200 will usually cover everything. But if you want to spend a million that is your business.

### NOVEMBER.

A very good catholic tradition is to pray for the dead. We usually do this at most masses. But can I suggest to you, dear reader, that you make a plan to come one day, not a Sunday, to pray specifically for your family and friends who have died.

"Take courage! without fear!

Many times in the Gospel Jesus says:

**'Do not be afraid.'**

We need to be courageous in the witness we give, with the world and above all with life: giving life, serving, sometimes with great sacrifices in order to live out this very mission"

**Pope Leo**

### Prayers for Life

Please pray and fast for the end of abortion and euthanasia on Monday 17<sup>th</sup> November. See poster at back of church.. These days seem quite dark, what with Parliament voting to partly decriminalise abortion and voting to legalise euthanasia. Please invite others to join us in praying and fasting for life, you can do so with this link, <https://www.facebook.com/events/828656872884422>.
