Many people have a problem with Christianity. It does not fit their way of thinking. This is very understandable. And today's feast is a great way to show it. By and large the Gospel contradicts everything that most people take as normal.

A KING....born in a stable.

A KING....reigning from a tree.

A KING....who says the poor will inherit the earth.

A KING....who makes friends with the "lowest of the low"

A KING....who loves everybody.

A KING.....who forgives everybody

BUT MY KING. Need I go on.

Under the reign of this King you will find life and eternal happiness.
