Fr Jack

"Those to whom much is given, much will be expected." We have been given the best of everything. The truth of the Gospel given to us by God Himself. Used properly we certainly should get to heaven. The labourers in the vineyard were given everything to produce a great harvest. But sadly they failed. Don't be like them. Paul as ever spells out a receipt for happiness in life. "Finally brothers and sisters fill your minds with everything that is true, everything that is noble, everything that is good and pure, everything that we love and honour, everything that can be thought virtuous or worthy of praise. Then the God of peace will be with you." The power of positive thinking.
