### Fr Jack

Which do you prefer?

The power of love or the love of power.

On my phone **profile** I have written *Love Changes Everything*

And I truly believe this. Start from a loving point and end on a loving note.

It has all kinds of benefits. Lower blood pressure, nicer person, less hassle. more accommodating and the list goes on.

Why did Jesus advocate it so much? He knew the way forward, He knew what was good for us.

Paul even nails it in today's second reading. *"the Good News came to you not only as mere words, but as power and as the Holy Spirit and as utter conviction."*

Take the power of love to your heart and do not be emotionally numb but emotionally alive. (Last week's homily.)
