FR JACK

Do I have a love of the truth? Do I try to find out the truth about my faith or do I just go along with the news and attitudes of the day? The first reading tells us about people who have a love for the truth, always seeking it out through reading or talking to someone who is in a position to guide them. Jesus does not spare his words in the gospel and we need to understand them. He talks about the virgins.....five were wise and five were foolish. And that could be any man, woman or child. Wise ones and foolish ones. So, make an effort to check things out. Don't build your world around yourself.

Make it your business to know yourself, which is the most difficult lesson in the world.
