Carj

Catholic Association for Racial Justice

This is a very important day and needs all our support. Racism should be a thing of the past, please attend 40th Anniversary celebrations if you can at **St George's Cathedral** on **Saturday 25th May 10:30 am to 4pm** refreshments available.

It would be good if we had a parish representative.

FR JACK

Today's reading is so beautiful it is impossible to improve on it, however, you can. Just read it and read it and read it time and time again. Let it sink into your heart and blood stream. Here you will find your DNA. How full of God you already are. Joy, love, truth, belonging, protection, all these things are already present but many of us are not aware of it.

Jesus prays to the Father to keep us faithful to his word.

St. Jerome says;- "To be ignorant of the Bible is to be ignorant of Jesus. This is where we as Catholics fall down. We do not have a basic awareness or knowledge of the Bible. Hence our relationship with Christ is very functional rather than relational. We prefer a moralistic religion rather than mystical faith.

A simple lifestyle is very helpful to what I am saying.

Formation Fayre

At Amigo Hall St George's Cathedral

The Agency for Evangelisation and Catechesis is excited to extend a warm invitation to all Catholics to join us at the Formation Fayre on **Saturday 8th June at 10.30am. – 4:30pm** a day dedicated to spiritual growth and enrichment. This year's Formation Fayre promises to be an inspiring and transformative experience. With Archbishop John Wilson delivering the keynote address, attendees will have the opportunity to delve into the theme "Made for More" through engaging breakout sessions, impactful prayer experiences, and insightful discussions. Thank you for your dedicated service to the Church, and we look forward to welcoming you and your parishioners at the Formation Fayre 2024. **(Please bring your own lunch)**

Chimpanzees share 99% of the DNA of humans while mice are 98% genetically similar to humans.
