Fr Jack

Jesus says we are called to be servants of each other. If we could only get this into our heads it would make life so much easier and we would be so much more fruitful in the world. Not always easy and some people can annoy you and others never give up and what's more drain the life blood out of us. But over all, it saves asking a lot of questions and brings great peace of mind. Look at the fantastic job James does in today's second reading. Jealousy and ambition brings disharmony and hateful things.

Wisdom is pure and brings peace. It is kind and considerate and is full of compassion. and shows itself by doing good works. no Hypocrisy. Peacemakers when they work for peace sow seed which will bear fruit in holiness. We don't seem to be doing very well at the moment, judging by the state of the world ?

Peckham Pantry

Sincere thanks for your very generous response last weekend We collected £1020 a great effort.

World Catholics

For the next 4 Sundays we will be counting how many Catholics in church. This is done worldwide to see how the mission of the Church is progressing. I expect there will be a big increase on the number of Catholics worldwide, however, that will be in Africa, Asia and South America, we need to up our act in Europe, in the UK and in Peckham Rye. Please talk to your friends and those you meet and invite them to church. This was the final command of Jesus "go teach all nations, baptism them in the name of the Father, the Son and the Holy Spirit."

Thy Kingdom come, thy will be done on earth as it is in heaven.

All wars and bad things start in the heart of people.
