The word became flesh. and in Him all flesh has become sacred. In Christ all is sacred. The Christian is one who sees Christ everywhere. The more I see God in myself the more I see Him all around. As human beings we are created for love and prayer. This Advent let us begin to take the word of God seriously and spend some time in contemplation. This way we train ourselves **How to see** and **not what to see**. The Kingdom of God does not mean eating or drinking, this or that.it means righteousness and peace and joy, brought by the Holy Spirit. If you serve Christ in this way you will please God and be respected by people.

**Can our parish/you help refugees find somewhere safe and warm to stay this winter? If so contact**
