Fr Jack

Happy New Year to you all! This year is no ordinary year in the life of the Church - it is a Jubilee Year. The Holy Father has proclaimed 2025 as a Jubilee Year, with the theme "Pilgrims of Hope." The practice of Jubilee Years already began in 1300, when Pope Boniface VIII invited the faithful to Rome for a time of pilgrimage, penance, and renewal, granting special indulgences. Since then, Jubilee Years, taking place every 25 years, have become significant moments in the Church's spiritual life.

Hopefully we will have a number of events during the year and your ideas are welcome. But immediately can I ask everyone to do what they are doing a bit more sincerely. We have got our three stalwarts

PRAYER.....especially your preparation and participation in Sunday mass.

FASTING....little less screen/Tv time allowing you more time for your family or the church.

ALMSGIVING...lifting others out of poverty. £5,000 for the missions, Red Box.

PILGRIMAGE....You name when and where. But start saving now.

Today's feast is about you and I showing the love of Christ to the world.

OUR HALL Is used by many people and all groups are open to all.
