Our Lady's words to the attendants at the wedding feast were; *"Do whatever He tells you."* And that is still the call of the Gospel. No matter where we are or what we are doing we should be listening to Christ and doing whatever He tells us. This is why it is so important for us to know the Gospel and be able to know what we indeed do in any given situation. Ignorance of the Gospel is ignorance of Christ, St Jerome tells us.

In the second reading Paul tells us that there are a variety of gifts. Do you know what your gift is? And are you willing to put it at the service of the community here in St James.

Today you all received a booklet from the Archbishop....**CALLED TO BEAR FRUIT.** Please have a read and a think....is it saying anything to you. And would you be willing to do something about it.

To love and be loved is to feel the sun from both sides.
