Fr Jack

Luke is writing an account of Jesus' life for Theophilus (God lover), so that means all of us I hope that we want to know who Christ is and know more about Him. Jesus went to the temple and He read-- *The spirit of the Lord has been given to me.* So if the spirit has been given to us, then it is given to us, not for our own selfish ways but for the good of the whole family, the church. Now go back and read Paul in the second reading and see where you fit in. For what has the spirit been given to you. Or are you trapped in your own selfish ways just using it to get you to heaven. Heaven would be hell for anyone who is so selfish. Use your gift for the greater Glory of God and the benefits of others and you will find true happiness.

Assisted dying Legislation

A small group of local Christians are looking for input to support our local MP, Miatta Fahnbulleh, in understanding the risks of introducing physician-assisted dying ahead of the Bill's third reading. Do you have experience in the health and/or social care sectors, and would be willing to share your insights on assisted dying to inform our local MP? Or have first-hand experience of the issues it raises? Please contact Laura Bradley on 07913525809 or at laurabradleyresearch@gmail.com
