HOUSEKEEPING

Annette who did a tremendous amount of work here in the church: cleaning, arranging flowers, brushing leaves, buying toilet paper and soap, ironing etc. She left us all of the hook with her commitment and dedication. Now she is in hospital but hopefully will be returning soon. She just did it. Without too much planning could I ask people, men and women to be responsible and just take care of the place.

Fr Jack

In what way does the first reading teach us about magnanimity (which means "generous in overlooking injury and insult, **rising above pettiness and meanness**") Can you think of any saints/prophets who were or are magnanimous? Do you know any magnanimous people in your own life? What about you?

Are you trapped as a child of Adam in the flesh, always fulfilling your own desires and whims, just couldn't care less?

Or are you a child of the new Adam, Jesus? Always thinking of others and their wellbeing. Responding to the needs of others and their good and the good of the church and society.
Is the world a better place because you are in it?

GIFT AID

Many people have moved into the parish in the last year. You are very welcome. I am sure you have heard of gift aid.

1. You have to be a tax payer.
2. If you sign a gift aid form from the website or from Fr. Jack and pledge so much a week then we will get the tax back from the government. Cost you or the parish nothing. Simply put if you have signed to pay £10 a week then the government will give the parish £2.50 extra. Last year we got £12,000 from the government. Thanks to all who have signed.

Be the change you want to see in the world.
