FR JACK

This week ahead is the greatest week in our life. What happens next week is totally **REVOLUTIONARY** and we need a total change of mind..We all make small changes and behavioural changes which do not enrich or empower us.

We never internalise values and strengths - we never grow up. Sorry if that sounds tough. We need a change of mind and attitude. How else have we ignored the clear and direct teachings of Jesus?

Nonviolence.

Simple life style

Love of the poor.

Forgiveness and love of enemies.

Inclusivity and mercy.

Not seeking status, power, perks and possessions.

Many have been overwhelmingly, ignored by mainline churches.

Question for you all

Will I come one day next week (behaviour) or I will come for the full Tridium (attitude)
