Fr Jack

Jesus in the desert was tempted by the demons. Just like ourselves the minute we sit down to pray forty five things come to our minds to lead us astray from the job in hand. I am sure many of us thought about going to confession but then we got distracted and forgot. Confession is also a great way to reveal to me who I am. Like true prayer it reveals to us who we truly are. Do try to get to confession during this Lent. If you feel you have not sinned then maybe it says something about your relationship with Christ. I don't offend people I don't know. But I offend people who love me very often. Just not ringing to say hello. Ringing just to chat, no real reason except they mean something to me. So if I do not sin maybe it is because I have no relationship with Christ..

This Friday 27th February,**

By supporting this day you are being the good neighbour Jesus calls us to be – loving others as we love ourselves. This Family Fast Day, let's show love to our neighbours. Let's eat simply and give generously – so another family can put food on the table. Thank you.
