State of play for the last year 2025 is as follows:

Income £182,297.

Expenditure £149,963.

There is a full breakdown of these monies on the parish notice board.

Thank you for your generosity and support over the year.

As you will see on the notice board **£12,848 came from the tax man.** This is a fantastic help and does not cost you, I or the parish a penny. **If you pay tax and have not signed up please see Fr Jack for a form.**

The parish gets 25% of your offering from the tax man.

Fr Jack

In today's world one of the big problems is, I believe getting trapped in our own way of looking at things. And sometimes God or man can shift us, we all need a new/different perspective in life. This was never more true that when we come to matters relating to God. The life of God is so dynamic, vibrant and full of fun, sadly we miss out. Jesus took the disciples up the mountain to give them a different view of who and what He was about and they were gob-smacked. Jesus in his glory. Peter just wanted to crash out and stay there forever. Could you blame him? But Jesus says, No. Do not be selfish, we have got to go back down the mountain and share this vision with the whole of society. Ideally, we get this vision every Sunday at Mass and to make it **real** we have got to go out and share it with others. Otherwise, it remains just an empty vision, and I easily get bored with it. Sadly as many have.

Baptism of Babies

Congratulations if you just have had a baby. To baptise, come to the office this **Saturday between 2pm and 4pm** in the afternoon to discuss and collect a form.

.Failing to prepare is preparing to fail.
