Fr Jack

"But if Christ is in you, although the body is dead because of sin, the spirit is alive because of righteousness."

Here I think Paul is at his best. If the spirit of Christ is in me, all things are possible. *"I live now, not I but Christ lives in me."* My whole way of being, thinking and behaving is governed by Christ. And ultimately this is what I am aiming at as a Christian. It is not just about doing a good thing here and there. It is about being overtaken by Christ. My whole way of thinking is governed by Christ. This is a tall order but this is where true happiness lies. It is an internal power within me. Give your life over to Christ. **A change of attitude.**

Times Of Masses Going Forward.

It seems now the new plan going forward will be on the 26th July 2026 there will be only two Sunday Masses at 10:00 am and 12 noon. This will remain in place until the first Sunday of September BUT it may remain that way. We will review it then. Personally, I would be happy if there was enough demand to go back to three Masses. Watch this space..
