RCIA.....MISSION.....POPE'S APPEAL

An opportunity for people to learn about the Catholic faith, bring a friend or family or anybody who is curious.

Also for adult Catholics who may not have made their communion of confirmation.

Beginning with mass at 7pm on Wednesday 16th October, followed by chat, conversation, tea or beer.

Please continue to join in praying for missionaries in some of the remotest places in our world, in response to Jesus Christ's command to 'go and make disciples of all the peoples'.

Fr Jack

Today, Paul talks about the Good News; Christ died and rose again. But in practical terms, do I carry that confidence in my heart?

That, yes, I will not die, but live for ever with Christ.

We need to have that confidence and joy that all will be well.

For the believer, death is only the moment of passing over to a more beautiful life with those we love and Jesus. No room for tears.

This month of October is a special month of mission, going out to tell people about Jesus. The world, UK, Peckham was never more in need of mission, to tell people about the love of God.

Don't ignore the call of God. Talk to someone/family about God, bring them to church; introduce them to me, to others. "Go out to the whole world, proclaim the Good news."

Life does not consist in holding good cards, but rather in playing well those cards we hold.

Missio

Missio is the Church's official organ for the support of foreign missions. The collection taken on World Mission Sunday goes in its entirety to support churches, hospitals, schools and vocations in countries where the Church is new, young or poor. Missio works through local bishops, churches and missionary congregations to ensure that resources are distributed equitably and justly on the basis of need. The money goes directly from England and Wales to the bishops in the mission territories: local church directly helping local church.

Thank You
