Synod

Since the time of Pope Frances there has
been a lot of talk about the Synod. The
Synod is basically a meeting of Priests,
Bishops and people to meet and discuss the
future of the Church worldwide. In this parish
we need to get a group of people together to
sit down with Fr Jack and see how we can
move in this direction. The fundamental point
is Andy Burnham cannot run the country on
his own, no more than Fr Jack can run the
parish on his own (and it's not because he's old).
