## **PARTY FOR MATURE PEOPLE.**

The SVP are organising a Christmas party for our older parishioners on **Saturday 14<sup>th</sup> December**. Beginning with mass and anointing of the sick at 11am, followed by a party in the hall. We need food, drink and music. Please talk to any member of the SVP about your contribution.

**Please let people know and bring them along.**

And please remember this is not an exclusive Catholic party. Cars will also be available, let Fr Jack know what you need.

If there are any school children who would like work experience, or anyone who would like to know more about work in the Parish office, please let Fr Jack know.

*Fr Jack*

*Last Sunday I talked about Jesus raising humanity to a new level: Being faithful to his calling/commitment.*

*Paul today gives us a similar idea:*

*"Throw off the works of darkness and put on the armour of light. Let us walk becomingly as in the day."*

*Allow God's vision of peace to inspire you: Positivity, honesty and integrity.*

*Be vigilant, be prepared, be attentive and invite Christ into your life. This is as much about here as hereafter.*

*At the time of Noah people were immersed in the things of life. They did not notice, they did not listen to what was going on around them. The Flood came.. A Thought -----Are environmentalists teaching us a lesson today?*

*For Advent may we listen..*
