BAPTISM - Pope Benedict.

Jesus loaded the burden of all humanity's guilt upon his shoulders and bore it down into the depths of the Jordan. He inaugurated his public ministry by stepping into the place of sinners. His inaugural gesture is the anticipation of the cross.

Readers

As readers we aim to prepare the text thoroughly and powerfully, to check the vocabulary, to read slowly and clearly, to follow the punctuation marks carefully, to engage with the congregation by looking up from the page every so often and especially to know that the Reading is a sacred moment.

Missio

Red Box holders please pick up a brown collecting envelope with calendar at the back of church. Empty your Red Box into the envelope and return to church. Many thanks.

Fr Jack

This is my Son the beloved, listen to Him.

The above is the result of parents taking their children's baptism seriously. Praying with their children every day and letting them see that God is important to mum and dad.

Many parents do the above and you can see it in their children for whom church and God and praying is second nature. Thank you very much.

Good families make good parishes like we have here in St James, a joy and pleasure to work with. They also make for a good country, filled with joy peace and love.

With God all things are possible.

The best way to cheer yourself up, is to try to cheer somebody else up.

Baptism of Babies

Collect an application form from the office on Saturday between 2 and 4pm

A PROPOSAL

For the parish to build two flats, or a house at the entrance on Bellenden Road, with an archway so the entrance would still remain. The parish priest could live there and then 45 could be renovated as an income for the parish.

Eventually if we did not need them, they could be sold off without interfering with the car park or present property.

Your thoughts are appreciated, preferably in writing.

Irish Chaplaincy
